Blackwell Synergy

新設計概覽

Synergy 新設計

一月份，**Blackwell Synergy** 將以全新面貌發布。網站導航將更方便、更快捷，同時網站推出進一步改良工具，也將更方便研究人員的使用。

- 使用快速搜索與瀏覽，檢索更多資料
- 探索相關研究
- 訪問參考與引用文獻
- 用可擴展圖表查證論據
- 使用補充資料，獲得更多資訊
- 閱讀、下載、保存並共用文章與參考文獻
- 訂制直達您桌面的電子目錄提醒，與最新資訊保持同步

瀏覽：從主頁檢索期刊

The screenshot displays the Blackwell Synergy website interface for 'the plant journal'. The page features a navigation menu on the left, a main content area with a list of issues, and a search sidebar on the right. The journal's title 'the plant journal' is prominently displayed in a green banner. The list of issues is organized by year, with 2006 being the current year. Each issue entry includes the month, volume, issue number, and page range. The search sidebar includes a 'Quick Search' section with radio buttons for 'All Journals' and 'This Journal', and a 'Quick Link' section with a dropdown menu for 'Plant J' and input fields for 'Vol:', 'Issue:', and 'Page:'.

Molecular Microbiology

Volume 62 Issue 2 Page 331 - October 2006

To cite this article: Henrik J. Nielsen, Jesper R. Flemming G. Hansen (2006)

The *Escherichia coli* chromosome is organized with separate cell halves

Molecular Microbiology
doi:10.1111/j.1365-3113.2006.01111.x

Original Article

The *Escherichia coli* chromosome is organized with separate cell halves*

Henrik J. Nielsen,¹ Jesper R. Ottosen,^{1,†} Brenda Younger,² Flemming G. Hansen¹

¹BioCentrum-DTU, Technical University of Denmark, Lyngby, Denmark; ²Gene Regulation and Chromosome Biology Laboratory, University of Maryland, Frederick, MD 21702-1201, USA.

Summary

We have developed a system for the simultaneous visualization of different fluorescent ParB/parS systems. Using this system, we have visualized the spatial arrangement of the chromosome arms in newborn cells such that markers on the right arm of the chromosome and markers on the left arm of the chromosome are positioned in opposite halves of the cell. The reorganization of the chromosome arms ensures that the two replication forks remain in opposite halves of the cell during replication. The relative orientation of the two reorganized nucleoids in pre-division cells is not

單點圖表縮略圖以放大圖像

cyan and both subsequently overlaid on the phase-contrast image. A shows cells of the FH3518 strain (P1parS at 15' and pMT1parS at 22') and B shows cells of the FH2973 strain (P1parS at 54' and pMT1parS at 22'). The insert mini-maps show the chromosomal position of the P1parS locus (cyan) and the pMT1parS locus (green) in the two strains. The origin and terminus are shown in red and black respectively.

進一步處理查找的研究

The screenshot shows a Microsoft Internet Explorer browser window displaying a research article from Blackwell Synergy. The article title is "Progressive segregation of the *Escherichia coli* chromosome" by Nielsen et al. (2006). The browser's address bar shows the URL: <http://www.blackwell-synergy.com/doi/full/10.1111/j.1365-2958.2006.05346.x>. On the right side of the browser, there is a search sidebar with a list of authors: Jasper R. Ottesen, Brenda Youngren, Stuart J. Austin, and Flemming G. Hansen. A search box contains the text "Synergy" and a "GO" button. Below the search box is a "Go to section" dropdown menu. A yellow callout box with the text "在新視窗打開參考文獻" (Open reference in new window) has an arrow pointing to the citation "Nielsen et al., 2006" in the article text. The article text discusses the relative position of foci and the chromosome in *E. coli* cells.

Figure 2. Relative position of half of the cell. The origins are located near the cell quarters in pre-division cells, in readiness for the next round of replication in the following cell cycle. Like the origin of replication, the terminus of the chromosome is located at the cell centre prior to its replication. The duplicated termini remain at the centre until late in the cell cycle.

搜索：快速搜索

使用主頁上的快速搜索功能，用戶可對 *BlackwellSynergy* 中的所有期刊進行搜索。

The screenshot displays the Blackwell Synergy website interface. At the top left is the Blackwell Synergy logo. The main navigation bar includes links for Synergy Home, Browse, Search, My Synergy, Books Online, Resources, About, and Help. A user login section is visible in the top right corner with fields for User name and Password, and a GO button. A prominent red banner on the left side reads "Blackwell Synergy Online journals for learning, research and professional practice". Below this, a "Using Synergy" section provides a welcome message and a link to "what's new, what's moved or changed". The "Browse our Journals" section features a dropdown menu set to "All Journals By Subject" and a "Save settings" link. Below this are icons for Premium + Backfiles, Premium access, Partial access, Free content, Favourite Journal, and OnlineOpen. A list of subject categories is provided, including Business, Economics, Finance and Accounting; Construction, Engineering, Computing and Technology; Health Sciences; Humanities; Law and Criminology; Life and Physical Sciences; Mathematics and Statistics; Medicine; Social and Behavioral Sciences; The Arts; and Veterinary Medicine, Animal Sciences, Agriculture and Aquaculture. On the right side, a "Quick Search" overlay is shown, featuring a search input field, a GO button, and options for "Advanced search" and "Saved searches". Below the search input is a "Quick Link" section with a "Select a journal" dropdown and fields for "Vol:", "Issue:", and "Page:" with a GO button. A "Try crossref search" link is also present.

搜索：CrossRef搜索

The screenshot shows the Blackwell Synergy search page. At the top left is the Blackwell Synergy logo. To the right are fields for 'User name:' and 'Password:' with a 'GO' button. 搜索：搜索結果

The screenshot shows the Blackwell Synergy search results interface. At the top left is the Blackwell Synergy logo. On the right, there are fields for 'User name:' and 'Password:' with a 'GO' button. Below these are links for 'Register', 'Forgotten Password', and 'Athens Login'. A navigation bar contains links: 'Synergy Home | Browse | Search | About | For Librarians | My Synergy | Books Online | Help'. A red banner across the top of the search area contains the text '此處顯示搜索返回的結果數' (This area displays the number of search results returned).

The main search area is titled 'Search' and includes a 'Search menu' with options like 'Advanced Search', 'Cross Ref Search', and 'Saved Search'. There is a 'Refine your search' section with a 'Search within these results for:' field and a 'GO' button. Below that are 'Research alerts' and 'Save your search as:' fields with a 'Save search' button. At the bottom left, there is a section for 'Receive search results by:' with options for 'RSS' and 'Atom'.

The search results are displayed under the heading 'Results'. A red banner indicates 'Showing 1-10 of 70 for Aurora'. Below this, there are sorting options: 'Ordered by relevancy', 'Order by date', and 'Hide summaries'. There are also links for 'Add to favourites', 'View abstracts', 'Export citations', 'Citation Alerts', and 'Email this article'. The first result is titled 'Species boundaries, phylogeography and conservation genetics (Rana aurora/draytonii) complex' by H. BRADLEY SHAFFER, G. M. FELLERS, S. RANDAL VOSS, J. C. OLIVER, GREGORY B. PAULY. The abstract objective is to determine whether blood test results lead to a change in patient status from the ED. Methods: A prospective review of the anticipated and actual status of patients from the ED before and after blood test results, in... (Sep 2004). The second result is 'Aurora diaries' by Giles Harrison, with an abstract objective to document appearances of the aurora borealis from an 18th-century diary. It includes a reference to 'Astronomy and Geophysics, Volume 46, Issue 4, Page 4.31-4.34, Aug 2005' and links for 'Abstract', 'Full text HTML', 'PDF 00Kb', and 'References'.

Annotations in yellow boxes provide instructions: '使用此欄位可縮小搜索範圍' (Use this field to narrow the search scope) points to the 'Search within these results for:' field; '使用這些選項，您可選擇如何顯示搜索結果' (Use these options, you can choose how to display search results) points to the sorting options; and '此處顯示搜索返回的結果數' (This area displays the number of search results returned) points to the red banner at the top.

已保存搜索

The screenshot shows the Blackwell Synergy search results page. The top navigation bar includes the Blackwell Synergy logo, user login fields (User name, Password, GO), and links for Register, Forgotten Password, and Athens Login. Below the navigation bar is a red banner with the word "Search".

The main content area is titled "Results" and shows "Showing 1-10 of 70 for Aurora". The page number is "Page: 1 2 3 4 5 6 7 Next>".

Annotations in yellow boxes provide instructions:

- From any search results page, you can save the search you need for future use. Enter search terms in the box and click "Save Search".
- You can also choose to receive email alerts when new articles match your search criteria.
- Note: To use saved searches, you must be a registered user and logged into Synergy.

The search results list includes:

- Ordered** (checkbox)
- Select all** (checkbox)
- Spotted frog** (checkbox)
- Aurora diaries** by Giles Harrison. Abstract Objective: To document appearances of the aurora borealis. From this record and sightings from Europe over the same period, he deduces that aurorae were visible further south some 200 years ago... Astronomy and Geophysics, Volume 46, Issue 4, Page 4.31-4.34, Aug 2005. [Abstract](#) | [Full text HTML](#) | [PDF 00Kb](#) | [References](#)

The left sidebar contains a "Search menu" with options for Advanced Search, Cross Ref Search, and Saved Search. It also has a "Refine your search" section, a "Research alerts" section, and a "Save your search as:" section where "Aurora" is entered and "Save search" is clicked. Below this is a "Receive search results by:" section with options for RSS and Atom.

圖書館員使用 *Blackwell Synergy* : Z39.50

The screenshot shows the Blackwell Synergy Administrator Homepage. At the top left is the Blackwell Synergy logo. To the right are login fields for 'User name:' and 'Password:' with a 'GO' button. Below these are links for 'Register', 'Forgotten Password', and 'Athens Login'. A navigation bar contains links for 'Synergy Home', 'Browse', 'Search', 'About', 'For Librarians', 'My Synergy', 'Books Online', and 'Help'. The main heading is 'Administrator Homepage'. Below this is an 'Administration menu' on the left and a breadcrumb trail 'Home > Administrator homepage'. A 'Select institution:' dropdown menu is present. The main content area is titled 'Blackwell Test Institution' and features a 'Tools' section with links: 'Enter or Modify your IP Addresses', 'Create or Change an Institutional Password', 'Upload your Library's Logo for Display on Blackwell Synergy', 'Reference Linking', 'Trusted Proxy Server Setup', 'Review your Subscription Information', 'View and Download your Usage Data', 'Download a Blackwell Synergy Holding File', 'View and Download Core Plus Usage', 'Z39.50 FAQs', and 'Help and Feedback'. A yellow callout box contains the text 'Blackwell Synergy 符合Z39.50協議。'. Below the tools is an 'Advice' section with the text 'Visit the Info@Synergy area for: Journal information - include a full list of titles and acronyms, title changes, cessations, and titles no longer on Blackwell Synergy.'
